# Cover Letter

*My name is Cláudio Silva,*

*As said above in my educational background, I'm a computer Technician, with great sense of responsibility, and with some professional experience that makes me a suitable candidate to serve the needs of your company within the computer system field.*

*I have an entrepreneurial attitude and i know how to work in challenging environments at a fast pace.*

*Even though my knowledge is not the highest yet, I believe that with the help of a dynamic and ambitious team I'll go further, as one of my qualities is to face the challenges with optimism.*

*Thank you for the attention, I am entirely at your disposal, and I hope that my resume fits in this position.*

*Sincerely,  
Cláudio Silva*
